Must be an email address.

Incorporated Association

Incorporation number

Usually begins with an 'A'

Grant category

Category 1

- Grants of up to \$20,000 are available for community and recreational facility upgrade works that fall into one of 4 priority areas.
- Council manage works on behalf of community groups.
- Community groups are not required to provide matched funding.

Liaison officer support and landowner consent

In order to have your application accepted, you must have spoken to the relevant Council liaison officer and seek their in-principle support. If your proposed project is to occur on DEWLP land, permission from DEWLP must be obtained.

Important - applications from kindergartens

The Early Years Manager of kindergarten facilities are required to submit grant applications on behalf of their user groups (e.g. Parent Advisory Groups). If you are a Parent Advisory Group member making this application on behalf of a kindergarten operating under an Early Years Manager do not continue with this application. Contact your Early Years Manager.

Committees of Management of independent kindergartens may apply on behalf of their kindergarten.

Please email mail@cardinia.vic.gov.au or call 1300 787 624 to speak to the relevant liaison officer below using their name and community capital works in the subject line.

- Admin Support - Rachael Chinnock
- Halls, Community Centres, Neighbourhood Houses - Connected Communities

2025-2026 Community Capital Works Grant Application

Form Preview

- Recreation reserves -Sports and Active Recreation - Jo Kennedy
- Kindergartens - Rachael Hamilton or Josh McCleary
- Building requirements/regulations and inspections - Buildings and Facilities Team
- Environmental upgrades - Brett Munckton
- Building permit enquiries - Peter Truong
- OH&S, Safe Work Method Statements - Janine Hardy
- Insurances and Workcover- Meagan Evans
- Social Inclusion/accessibility - Tania Lancaster

If you are not sure which Council liaison officer you need to speak to please contact the Connected Communities Team on 1300 787 624 or ccwg@cardinia.vic.gov.au

Is your proposed project on DEWLP owned land?

- ☐ Yes
- ☐ No

- ☐ Yes
- ☐ No

If yes, please provide details

Current licence, lease, service or funding agreements

Under the Community Capital Works Grant terms and conditions if a licence, lease or funding agreement exists between Council and the group then the agreements need to be signed and current in order for applications to be considered.

Is your licence, lease, service or funding agreement current and signed? *

- ☐ Yes, all are signed and current
- ☐ No, some or all of our agreements with Council are not signed or current
- ☐ Not applicable, we do not have any of these arrangements with Council

Project selection

*** indicates a required field**

Applications for Category 1 grants must align with one of the categories outlined below.

If your project does not align with one of the categories please contact your liaison officer to discuss.

Please select the category option you would like to apply for *

- ☐ Upgrades to accessibility
- ☐ Building sustainability
- ☐ Crime prevention through environmental design
- ☐ Removal of hazardous materials

No more than 1 choice may be selected.

Upgrades to accessibility

Please select the sub-category option you would like to apply for

- ☐ Access points (accessibility to the building, widen doorways, making doors automatic)
- ☐ Making bathrooms more accessible (handrails, grab rails, unisex facilities etc)
- ☐ Internal and external pathways to assist with exiting in an emergency

No more than 1 choice may be selected.

Building sustainability

2025-2026 Community Capital Works Grant Application

Form Preview

Please select the sub-category option you would like to apply for

- ☐ LED lighting - LED lighting can reduce energy costs, maintenance requirements and improve lighting levels (excludes sports field lighting)
- ☐ Heating and cooling improvements including the installation of efficient split systems to replace gas heating
- ☐ Replacement of old inefficient hot water systems
- ☐ Solar PV - The installation of rooftop solar electricity systems will generate renewable energy to reduce costs and environmental impacts (dependent on building suitability)
- ☐ Rainwater harvesting - A rainwater harvesting or filtration system to reduce water costs and provide environmental benefits
- ☐ Mechanical ventilation to improve air quality for small to medium sized rooms regularly used by groups (e.g. kindergarten/childcare, classrooms, meeting rooms).
- ☐ Insulation - The installation of insulation to improve thermal comfort and reduce energy costs

No more than 1 choice may be selected.

Crime prevention through environmental design

Please select the sub-category option you would like to apply for

- ☐ External security lighting
- ☐ Changes to external design - removal of unseen areas

No more than 1 choice may be selected.

Removal of hazardous materials

Please select the sub-category option you would like to apply for

- ☐ Asbestos removal where this will benefit approved future works to the facility.
- ☐ Switchboard upgrades to remove asbestos, improve capacity and improve safety for users

No more than 1 choice may be selected.
