If a commercial builder or qualified contractor is engaged to undertake work related to the project in an in-kind capacity, they must still meet all the contractor requirements of a paid contractor/supplier as outlined in the Grant Terms and Conditions.

In-kind contributions may include grant funding from an alternate source to Cardinia Shire Council. Confirmation of grant funding and amount will need to be provided as evidence in this application as supporting documentation.

Please note that all in-kind contributions (labour and/or materials) will not be considered within the total project cost for the purposes of calculating the value of Council's grant.

## Volunteer labour

If you are considering volunteer labour as part of this project, you will need to contact Council's OHS Officer on 1300 787 624.

Volunteer labour may be applied as part of your contribution towards the project. Please ensure this cost is incorporated within your estimated total project cost.

Volunteers can only perform tasks where they hold the appropriate qualifications, registrations or competency. i.e.: Construction Induction card, plant competency or trade registration.

Volunteers can not undertake 'high risk' work without the appropriate qualifications as listed above. For more information about what is considered to be "high risk work", please visit: <http://www.safeworkaustralia.gov.au/sites/swa/whs-information/licensing/high-risk-work/pages/high-risk-work>

If the proposal of volunteer labour is not supported, it is possible that approval may be given for the volunteer labour funding amount requested to go towards hiring a qualified contractor. Additional costs incurred above this amount must be covered by the applicant.

Council's volunteer labour rate is \$41.72 per hour. Please note that this volunteer amount will form part of your 50% contribution to the overall cost of the project. Therefore Council's reimbursement for volunteer labour will be half the approved volunteer hours of your project (Council contribution \$20.86 per hour, grant recipient contribution \$20.86 per hour).
