Project details

Name your project *

This application is for (select all that apply) *

- preservation works
- restoration works
- reconstruction works
- development of conservation management plan
- horticultural works or tree maintenance

No more than 5 choices may be selected.

Outline your proposed project ie: what are you going to do? *

Word count:

Must be no more than 100 words.

Why does this project need to be undertaken? *

Community benefit criteria

Select the community benefit of your project: (multiple boxes can be selected) *

- Provides increased training and education opportunities - the project will provide an education or training venue for the community
- Provides a venue for community events - the place or site is or will be available for community events
- Provides opportunities for increased social interaction or links with other places or attractions - for example, heritage walks or bike paths
- Strong historical association with persons or events well- known to the local community - the place or site should be significant in Cardinia Shire's history, public affairs or cultural life
- Provides increased business opportunities at heritage places and sites - the project will invest in local heritage places or sites that are, or include, business premises open to the public
- Enhances neighbouring or associated heritage places or structures - the project complements or enhances associated properties, precincts or streetscapes of which it is a part
- Improves access to community services - the project improves the community's access to services

Project budget and grant request

Heritage sites that are open and accessible to the public, are eligible to apply for 50% of the project cost up to \$5000 .

Heritage Grant application form 2026-27

Form Preview

This is the maximum contribution Council will make to a project, regardless of the total cost of the project i.e.: if the project cost is \$20,000, Council will contribute a maximum of \$5,000.

Total expenditure and total income should be the same value, to ensure the cost of the project is fully funded.

Supporting information and documentation

Outline the details of any in-kind contributions listed above (write n/a if not applicable) *

The following documents should be uploaded as part of your application:

- Contractor quotes
- Bank statement
- photos of the place or site showing the current condition and where the works will be undertaken
- If available, copy of any Conservation Management Plan or management recommendations for the place/site
- Copies of planning permits and consents for works if required

NOTE: planning permits (or written exemption) must be in place BEFORE any works commence and proof of permit is sent to Council. Council will accept applications without permits, however it is recommended permit applications be lodged prior.
